

Kangaroo Club

Children have always been a hugely important part of Penina Hotel & Golf Resort. In fact, we were the first resort in the Algarve to provide dedicated activities and entertainment to our young guests. Today we bring you our exclusive Kids Kangaroo Club... the perfect place for your children to play, learn and have fun under the sun.

Here we provide, your children – some of our most important guests – tailor made entertainment programmes to help them enjoy their Algarve holiday to the fullest... from the moment they arrive, until the time they (usually reluctantly) have to leave for home.

The Kangaroo Club caters for children from the ages of 3 up to 12 years, under the care of our highly experienced supervisors.

Children up to the age of 2 may attend the Kangaroo Club but must be accompanied by a parent or responsible adult at all times.

For teenagers up to the age of 16, the resort provides a range of exciting junior activities.

Meals

The Kangaroo Club offers a hugely varied cuisine that provides a heady selection of nutritionally balanced meals. The Club operates its own restaurant - the Kangaroo Mac.

With a fun and colourful décor, the Kangaroo Mac is furnished with tables and chairs suitable for all children, whilst mealtimes are always fully supervised by the Kangaroo Club team. The menus are carefully designed to provide varied and well-adjusted meals, always meeting the development needs of growing children... however, when required parents can order special meals for specific dietary requirements.

For health and safety reasons, food and beverages from outside the Kangaroo Club (including from the main hotel) are not allowed to be consumed on the Kangaroo Club premises.

During Spring and Summer a special breakfast buffet is available: "the Kangaroo Buffet" – which is served at Sagres Restaurant. Lunches and dinners at Kangaroo Mac must be ordered in advance, that morning at the Kangaroo Club. The resort also offers a children's menu in the restaurants (excluding Le Grill restaurant) and room service.

Groups By Ages

The Kangaroo Club is a facility available for children up to 12 years of age, divided into specific age groups:

The little ones **from 0 months to 2 years** old are welcome to Kangaroo Club, where they can enjoy the facilities, provided they are accompanied by their parents.

For children **from 3 to 5 years** of age we provide a full program of activities, including drawing and painting, modelling in clay, imagination games, water games in the kids pool, and fruit picking - where children will learn how to prepare and cook what they have picked. The activities are designed to be fun and at the same time to develop the capabilities of children.

Children **from 6 to 12 years** of age prefer to be more mobile. We offer them activities, such as swimming lessons, golf and tennis. Many activities embrace the participation of parents, including our weekly summer family evening.

Our professionals believe it is more important for children to learn while

having fun... and with that in mind they have developed a set of educational and fun activities, such as clay modelling, painting tiles, making jewellery, baking cakes, origami and many other activities...

The team have also produced a junior activity program for **teenagers up to 16-years-old**, which features a wide range of sport – including many golfing activities – entertainment and social events.

Kangaroo Club Activities

The program is carefully designed to provide a balance between sports, workshops and educational games and activities, whilst respecting the routines and customs of each child. To encourage teenagers to participate they are awarded with a certificate at the weekly cocktail party with parents.
